Mr. Brian Seville

Mrs. F. Whitacre

The University athletic programme for the 1965-66 season was again as extensive and equally as successful as in previous years. Statistics show that 290 students were active in 20 intercollegiate sports. The programme offered to the student body included some 44 activities on the intercollegiate, intramural and recreational levels of competition.

Sir George Williams University was represented in 16 O.S.L.A.A. activities. There was a total of 14 sports offered to the student body in the intramural programme, a total of 12 activities on the recreational level. Co-recreational activities numbered 11. The women's athletic programme offered 8 activities.

The intercollegiate teams played in a total of 200 games or tournaments and travelled a total of 80,000 miles in the United States and Canada.

The teams that represented Sir George Williams University in athletic competition in 1965-66 have continued to further the excellent reputation enjoyed by Georgians in the past. Much of the credit for this must be given to the coaching staff who contribute time and effort to make the programme a worthwhile one and an excellent educational experience for the students who compete in the programme. The faculty and administration are also to be commended for their excellent support. The students are to be congratulated on their accomplishments and for their contribution to the University.

Some of the highlights of the season, apart from the O.S.L. Championships in hockey, golf and swimming, were the participation by Georgians in the Bluenose Classic (Basketball), Mount Allison University Winter Carnival (Hockey and Basketball), Georgian Invitational Tournaments in Golf and Basketball, the Waterloo Hockey Tournament and the Sir George Winter Carnival Hockey game. The participation in C.I.A.U. Nationals by the University Hockey team, (Sudbury, Ontario), and the University Swimming and Diving team in Vancouver were also exciting highlights. The setting of a new C.I.A.U. record in the 400 yd. free style by M. Hopkins was also a fine accomplishment.

The growth of the Women's Athletic Programme must be noted and credit must be given to Miss Kemp for the manner in which she has met the challenge of the position.

Mention must also be made of the improved 'school spirit' during the past year. Much of the credit for this growth must be attributed to the Athletic Programme and in particular the fine showing of the hockey team.

INTERCOLLEGIATE SPORTS

BADMINTON - Supervisor - Barry Symons

The badminton programme was conducted as an O.S.L.A.A. activity as well as on an intramural basis this year. Tournaments were conducted in order to determine the men's and women's singles champions. Interest in badminton in the O.S.L.A.A. has developed to the extent that it is now accepted as an Association Championship event.

BASKETBALL - J/V - Coach - Warren Sutton

The J/Vs competed in the C.I.B.L., winning 8 of 9 Conference games and ended the season on a winning note, defeating C.M.R. in a playoff series for the J/V C.I.B.L. title. A home and home series with Carleton University and Plattsburgh were highlights of their season. The team is the first holder of a very fine trophy donated to the C.I.B.L. by Mr. Bob Lunny. Credit for fine showing and development of excellent varsity prospects must go to Coach Warren Sutton.

BASKETBALL - VARSITY - Coach - Fred Whitacre

The Varsity Basketball team experienced a successful year during the 1965-66 season. Performing for the first time for new Coach Fred Whitacre, the varsity Georgians finished fourth in the ten-team Ottawa-St. Lawrence Athletic Association and made the O.S.L. Playoffs with a won 10, lost 6 record. They lost there to Carleton University's Ravens, who represented the O.S.L.A.A. in the National Playdowns in Calgary, Alberta. The Georgians competed in the Bluenose Classic in Halifax, travelled to Fort Kent State Teachers College in Maine, Albany College of Pharmacy, Mount Allison in New Brunswick, as well as hosting the Georgian Invitational in Montreal.

WOMEN'S BASKETBALL - Coach - Sally Kemp

The Women's Basketball team had their most active season to date, competing in 8 league games, 4 exhibition games and 3 tournaments. They played in the Montreal Women's Open Basketball League and experienced a relatively successful season, placing third in that league. The opportunity for increased intercollegiate competition provided the team with a good experience and the improvement shown by the team over the year was very satisfying. The highlight of the season was a trip to the University of Waterloo while other competitors included Macdonald College, Bishop's University, Queen's University, McGill University, Carleton University, University of Toronto, Montreal Y.W.C.A., and College Marguerite Bourgeoys. Next year the team will be playing in the East - West Conference and the Women's Open Basketball League.

WOMEN'S VOLLEYBALL - Coach - Sally Kemp

This year for the first time we were able to form an Intercollegiate Volleyball team. As this was their first year, they did not enter a league but played in a number of exhibition tournaments. They competed against the following teams--University of Montreal, Queen's University, University of Toronto, McGill University, Macdonald College, Carleton University, and the Montreal Y.W.C.A. Next year they will be playing in the East - West Conference and the Montreal University League.

WOMEN'S SWIMMING - Coach - Susan Elliot

There was sufficient interest in speed swimming this year to form an intercollegiate team and to enter several meets. We were very fortunate in receiving the co-operation of the Montreal Y.W.C.A. which inabled our girls to train with the Y.W.C.A. swim team under Miss Elliot. Miss Elliot also agreed to accompany the team to all meets that we were able to arrange. In the three meets in which we participated we made a very good showing and won the York University meet. The team competed against the following universities--University of York, University of Windsor, University of Montreal, Laval University, and Macdonald College. Next year we are hoping to expand the team and have our own part-time / coach. We also plan to host a meet as well as participate in the Conference championship meet.

CURLING - Advisor - A. Douglas Insleay

Curling continued to function well as a club activity after re-organization through the efforts of the Athletics Council in 1963. The Club competed in the O.S.L.A.A. and many local and out-of-town bonspiels. The interest developed during the last two seasons was furthered and this enthusiasm suggests a strong future for curling at Sir George. The team won the consolation final in the O.S.L.A.A. Bonspiel and won Bonspiels in college and local competitions. The club entered a team in the Macdonald College Mixed Bonspiel for the first time.

GOLF - Coach - Magnus Flynn

The Golf team won the O.S.L.A.A. Championship in a meet hosted by Sherbrooke University. The Georgians placed second to the University of Vermont in the Sir George Williams University Intercollegiate Golf Tournament. This was the 4th invitational tournament hosted by Sir George and it was the first year that the trophy was won by one of the visiting teams. We hope to build this into a four American and four Canadian university team tournament hosted on an annual invitational basis. A trophy donated by Mr. R. Lunny is presented to the tournament winner. The tournament was held at the Lachute Golf and Country Club for the fourth successive year. Plattsburgh, Vermont, Carleton, Loyola and Sir George were the universities represented.

HARRIER - Coach - David Baxter

The University entered a team in the O.S.L.A.A. harrier competition for the third time. The team gained valuable experience in five local meets. Interest in harrier should be maintained at a good level with the enthusiasm developed. There are more than enough meets which the team can enter which will assure a good competitive season. Harrier was again conducted on a National Championship basis by the C.I.A.U., again with the National meet at Guelph, Ontario.

HOCKEY - Coach - Paul Arsenault

The 1965-66 edition of the Sir George Williams University Hockey Georgians has been the most successful team in the history of this Institution. For the third consecutive year, the team captured the O.S.L.A.A. Championship and went on to represent the League in the National Championships, losing to the powerful Canadian Champion, Toronto Blues 9-7. For the first time in the School's history, the team ended first in League play over the 16-game schedule and their League record of 14-1-1 was the best ever at Sir George. In addition, the Georgians captured the First Annual Dominion Life Xmas Tournament by defeating the University of Waterloo and McMaster University at Waterloo. The team's exhibition record of six wins and two losses also includes victories over McGill, Mount Allison and Norwich University. The losses sustained were at the hands of early season powerhouse, University of Montreal, and the Montreal Junior Canadiens. One of the most important and most satisfying accomplishments of the season has been the outstanding student support won by the hockey team. Never before, on the concrete campus, has any activity brought as much enthusiasm and spirit to the students, faculty and alumni of Sir George. The two League games with Loyola Warriors and the two playoff games played at the Montreal Forum attracted approximately 20,000 spectators. This was certainly a memorable breakthrough for our Downtown University and a step in the right direction for college athletics.

J/V HOCKEY - Coach - Dave Dies

J/V Hockey was offered to the students for the first time this year and proved to be quite popular. A league consisting of Sir George, McGill University, University of Montreal, St. Joseph Teachers' College, Macdonald College and Loyola College supplied the competition. The team finished the season with a won 4, lost 5, tied 1 record placing 4th in the league.

SKIING - Coach - Evan Price (Men)

Interest in skiing was at an all time high this year. The team was entered in the O.S.L.A.A. Alpine and Nordic Meets. It is hoped that with the ground work laid during the past four years that skiing will continue to grow as an intercollegiate activity at Sir George. The Georgians entered two meets hosted by Champlain College in Vermont, as well as meets sponsored by Loyola College and McGill University.

SKIING - Coach - Evan Price (Women)

Women's Intercollegiate Skiing is becoming more popular each year, however there is still only a limited amount of competition. This year the team took part in a three day training programme at Mount Echo and competed in two Intercollegiate meets, the Champlain College meet at Glen Ellen, Vermont and the McGill Winter Carnival meet at Mount Habitant. The Annual W.I.A.U. meet had to be cancelled this year due to poor conditions.

SOCCER - Coach - Gerry Stachrowski

The Georgians placed forth in the O.S.L.A.A. this year with a record of 5 wins and 3 losses. Interest continues to be high and the spirit excellent. A very large turn-out for the team is always assured with the large number of overseas students at Sir George.

SWIMMING - Coach - A. Douglas Insleay

The Georgians had a most successful swimming season, winning four out of eight meets including the O.S.L.A.A. Championship. Sir George was represented in the C.I.A.U. meet in Vancouver and placed 5th over all. Dual meets have been scheduled with the University of Vermont, as well as Queen's University, Norwich, Royal Military College and Plattsburgh State for the next season. We still must contend with the awkward practice times.

TRACK AND FIELD - Coach - A. Douglas Insleay

The track team competed in the O.S.L.A.A. meet and placed second in the meet. Interest continues and we now have approximately thirty-five students vieing for positions on the team. The Georgians were a slim four points off the winning Royal Military College team in the O.S.L. Championship and won a meet involving Sir George, McGill, and University of Montreal.

TRACK - INDOOR - Advisor - A. Douglas Insleay

A small group of enthusiasts maintain interest in track and field throughout the indoor season. The University was represented by three students in an indoor track meet hosted in the Maple Leaf Gardens in Toronto. One student represented the University at meets in Winnipeg, Vancouver and Halifax. The University had several entries in a McGill University meet, a meet at Rosemere, as well as in a meet held at the Maisonneuve Sports Centre in Montreal.

VOLLEYBALL - Coach - Ants Toke

Sir George was entered in the O.S.L.A.A. volleyball league for the third season. The team did not do as well as expected, placing fifth over the season. Immense improvement was shown by the students competing and this was mainly due to the efforts of Mr. Toke, Coach. There is a vast difference between recreational and competitive volleyball. The University team also competed in a local City league. We do not seem to be getting students who are interested in volleyball, this may be due to the weak volleyball programme in the local schools systems.

TENNIS - Coach - Paul Arsenault

The Georgian tennis team placed second among the eight O.S.L.A.A. members in the Annual Tennis Tournament hosted by College Militiare Royal at St. Jean, Quebec. An increasing interest in tennis with more student participation has resulted in the improved calibre of play. The Municipal courts at Somerled Park, St. Lambert Courts as well as the courts at the N.D.G. Y.M.C.A. were used.

WRESTLING - Coach - Harry Wolfson

Interest in wrestling continued to develop and carried through until the end of March. Approximately 25 students came out on a regular basis for instruction. The team competed in the Provincial Novice City Championship and Provincial Open as well as in dual meets with Potsdam State Teachers College, Plattsburgh State Teachers College, Paul Smith's College, and Loyola College. Much of the credit for the wrestling team's success must go to the coach and to Peter Croxall, team manager for their hard work. An excellent schedule of meets has been lined up for next season. We feel sure that wrestling will develop into one of the strong activities at Sir George Williams University, now that it has become a recognized O.S.L.A.A. Championship event. The usual awkward practice and facility problems continue to hamper the wrestling programme.

SPECIAL EVENTS

Basketball Tournament

Sir George sponsored a tournament in Montreal with St. Lawrence University, Waterloo University, Plattsburgh State Teachers College and Sir George participating. Plattsburgh State Teachers College won the trophy.

International Invitational Intercollegiate Golf Tournament

Sir George Williams University, Plattsburgh State Teachers College, University of Vermont and Carleton University took part in the tournament held at the Lachute Golf and Country Club. The trophy for the tournament, donated by Mr. Bob Lunny, was won by the University of Vermont. This was the first time that the title was won by a visiting team.

Awards Banquet

This year, for the first time, the Athletics Awards Banquet was held outside the University, at the Queen's Hotel. The Banquet was held on a Tuesday evening with a sit-down dinner. Gordon Atkinson, the guest speaker, addressed the large group of two hundred and fifty students, faculty, administration and guests. After the dinner, 'speeches', and awarding of prizes, the tables were cleared and an informal dance took place. A good time was had by all.

TEAMS COMPETED AGAINST IN THE TOTAL PROGRAMME

University of British Columbia	Vancouver, British Columbia
Mount Allison University	Sackville, New Brunswick
Champlain College	Burlington, Vermont
St. Michael's College	Winooski Park, Vermont
University of Waterloo	Waterloo, Ontario
McMaster University	Hamilton, Ontario
